**PETITION TO ADOPT CONDITIONS TO  
AUTHORIZATIONS AND LICENSES**

The Department of Homeland Security (“DHS”), with the concurrence of the Department of Justice (“DOJ”) and the Federal Bureau of Investigation (“FBI”) (collectively, the “Agencies”), respectfully submit this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“FCC” or “Commission”) rules.<sup>1</sup> Through this Petition, the Agencies advise the Commission that they have no objection to the Commission granting its consent in the above-referenced proceeding, provided that the Commission conditions the grant on Redes Modernas de la Frontera (“Redes Modernas”) abiding by the commitments and undertakings contained in its July 10, 2007 letter to Sigal P. Mandelker, Stewart A. Baker, and Elaine N. Lammert (the “Letter”) attached hereto as Exhibit 1.

<sup>1</sup> 47 C.F.R. § 1.41.

In the above-captioned proceedings, Redes Modernas has petitioned the Commission for an international authorization for authority to provide international facilities-based and resold services to all international points under Section 214 of the Communications Act of 1934, as amended.

As the Commission is aware, the Agencies have taken the position that their ability to satisfy their obligations to protect the national security, enforce the laws, and preserve the safety of the public could be impaired by transactions in which foreign entities will own or operate a part of the U.S. telecommunications system, or in which foreign-located facilities will be used to provide domestic telecommunications services to U.S. customers. After discussions with representatives of Redes Modernas in connection with the proposed request, the Agencies have concluded that the commitments set forth in the Letter will help ensure that the Agencies and other entities with responsibility for enforcing the law, protecting the national security, and preserving public safety can proceed in a legal, secure, and confidential manner to satisfy these responsibilities. Accordingly, the Agencies hereby advise the Commission that they have no objection to the Commission granting the above-referenced petition provided that the Commission conditions its consent on compliance by Redes Modernas with the commitments set forth in the Letter.

The Agencies are authorized to state that the Applicants do not object to the grant of this Petition.

Respectfully submitted,

/S/ SIGAL P. MANDELKER
